

Are you concerned about your son or daughter's ability to make important decisions?

Are you considering conservatorship when your son or daughter turns 18?

**Learn about alternatives to conservatorship
And possible unintended complications of conservatorship**

Supported Decision-Making: A Person-Centered Support Tool for Youth and Adults with Disabilities and Their Families

**Presented by the UC Davis MIND Institute's
Center for Excellence in Developmental
Disabilities:**

- **Introducing supported-decision making**
- **Planning for when you are no longer able to support your family members**
- **Legal tools to continue supporting family members after they become adults**
- **Building a circle of support**
- **Identifying qualities of effective supporters**
- **Creating a supported decision-making agreement**

Two separate trainings—one for families & self-advocates and one for teachers & professionals—to address the unique questions and needs of each group.
